Annual 64.2009(e) CPNI Certification for 2008

Date filed: February 15, 2009

Name of company covered by this certification: Range Corporation

Form 499 Filer ID: 812153

Name of signatory: David J. Savolainen, Sr.

Title of signatory: President

I, David J. Savolainen, Sr., certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI (number of customer complaints a company has received related to unauthorized access to CPNI, or unauthorized disclosure of CPNI, broken down by category or complaint, *e.g.*, instances of improper access by employees, instances of improper disclosure to individuals not authorized to receive the information, or instances of improper access to online information by individuals not authorized to view the information).

Statement and Certification of CPNI Filing

Range Corporation (Carrier) has established operating procedures that ensure compliance with the Federal Communications Commission ("Commission") regulations regarding the protection of Consumer Proprietary Network Information ("CPNI").

Carrier does not sell, rent or otherwise disclose customers CPNI to other entities.

Carrier does not use any customer CPNI in any marketing activities.

Carrier has implemented a system whereby the status of a customer's CPNI approval can be determined prior to any use of CPNI.

Carrier continually educates and trains its employees regarding the appropriate use of CPNI. Carrier has established disciplinary procedures should an employee violate the CPNI procedures established by Carrier.

Carrier maintains a record of any and all instances where CPNI was disclosed or provided to third parties, including law enforcement or where third parties were allowed access to CPNI. The record includes a description of each campaign or request, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.

Carrier has established a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintains records of the carrier compliance for a minimum period of one year. Specifically, Carrier's sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI.
